

If you receive disability benefits, the Social Security Administration's [Ticket to Work program](#) could help you find employment.

Ticket to Work is a free and voluntary program that offers people who receive disability benefits improved access to meaningful employment. It provides the choices, opportunities, and support needed to find and maintain work and achieve greater financial independence. The program, with the help of special rules called Work Incentives, may allow participants to keep some of their benefits while they gain work experience.
